**Zoe Ayn Strecker, Jackie Sheckler Finch : Kentucky Off the Beaten Path, 9th (Off the Beaten Path Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kentucky Off the Beaten Path, 9th (Off the Beaten Path Series):

3 of 3 people found the following review helpful. Travel off the beaten pathBy jlaThe "Off the Beaten Path" travels with me on my solo road trips. These are my attempts to re-create and re-generate. For each book of the series the author has taken the time to find the local coffee shops, museums, residents and documented the gems most travelers

try to find. Most of my driving is 'off the freeway' and to have the story of an area I'm traveling through is special. Updating is commonplace in this series as more is discovered by the authors or provided by the reader. So instead of taking a day to find a local gem, the writer has documented it for us, and we read it and visit in a shorter time probably with more information than going it alone. Anyway, "Off the Beaten Path" series is a front seat companion on my off the interstate travels. 1 of 1 people found the following review helpful. Kentucky By E. Ervin This is a very good book to take with you as you travel through Kentucky or vacation there. It enabled us to find some interesting places to visit and some good food to chow down on, too. That is the important part - good food, you know. I enjoyed reading this book and have enjoyed going back to read parts of it again. Highly recommended if you are going to be in Kentucky and even if you aren't, it is a fun read. 17 of 17 people found the following review helpful. A really neat book! By H. Hasty I'm really enjoying browsing through and reading this book! The author has obviously checked out most (if not all) of the places and events personally, and her writing style is very enjoyable and easy to read. I love the little gray boxes with interesting facts and/or stories scattered throughout. I am definitely happy with this book and will be referencing it whenever I'm in the mood for a KY road trip! :)

Go beyond the usual tourist attractions to discover hidden treasures in the Bluegrass State.

From the Back Cover Tired of the same old tourist traps? Whether you're a visitor or a local looking for something different, let Kentucky Off the Beaten Path show you the Bluegrass State you never knew existed.
