Tired of the same old tourist traps? Whether you're a visitor or a local looking for something different, let Kentucky Off the Beaten Path show you the Bluegrass State you never knew existed. Soothe your ailments and your hunger with the healing properties of poke at the Poke Sallet Festival; take an expedition through Walt Whitman's vale of the Elkhorn in a canoe; or stay in your own personal concrete teepee in Cave City. Visit the incredible collection of fossils on display at Big Bone Lick State Park, in an area where colossal mammals came to lick salt (and sulfur) more than 10,000 years ago. So if you've been there, done that one too many times, get off the main road and venture Off the Beaten Path.
