photography by Adam Jones : Kentucky Simply Beautiful before purchasing it in order to gage whether or not it would be worth my time, and all praised Kentucky Simply Beautiful:

0 of 0 people found the following review helpful. Five StarsBy ZanitorAbsolutely beautiful pictures of Kentucky that I sent to my English fiancée's parents who loved it!1 of 1 people found the following review helpful. Simply Beautiful PhotographyBy CamelliaChecked out this book in my local bookstore and found it to have awesome photography. Different from other "picture" books about Kentucky. Using it as a guest book at my daughter's wedding in Kentucky. Will be used as a coffee table book in their new home. I hope the guests write in the margins and not over top the beautiful pictures!0 of 0 people found the following review helpful. Five StarsBy oj190Beautiful book with great photography!

Experience the unbridled spirit of Kentucky, the birthplace of Muhammad Ali, land of the Kentucky Derby and world-famous horse farms, and home of the famed Bluegrass Region. Prolific photographer Adam Jones captures the rich natural and cultural history of the Bluegrass State in fine color photography. With stunning skyline shots of Louisville and Lexington, misty images from the Kentucky River Palisades, and solemn scenes recalling the state's Civil War history, Kentucky Simply Beautiful is picture perfect.

From the Inside Flap Experience the unbridled spirit of Kentucky, the birthplace of Muhammad Ali, land of the Kentucky Derby and world-famous horse farms, and home of the famed Bluegrass Region. Prolific photographer Adam Jones captures the rich natural and cultural history of the Bluegrass State in fine color photography. With stunning skyline shots of Louisville and Lexington, misty images from the Kentucky River Palisades, and solemn scenes recalling the state's Civil War history, Kentucky Simply Beautiful is picture perfect. About the Author Adam Jones has been honored as a BBC Wildlife Photographer of the Year, and his photographs have been published by numerous organizations, including the National Geographic Society, National Wildlife Federation, World Wildlife Fund, and Audubon Society. He is also a touring lecturer and a leader of photographer tours to both domestic and international destinations.
