**James Kavanaugh, Waterford Press : Kentucky Trees Wildflowers: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kentucky Trees Wildflowers: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

1 of 1 people found the following review helpful. Good slick sheetBy DossaI knew what I was getting when I ordered this and it fully meets my expectations as a quick reference pocket guid. Just be advised, there are many more trees and wildflowers in Kentucky than those listed in this slick sheet. This is primarily a quick look at the most common species.Four stars because it's what I expected.0 of 0 people found the following review helpful. Five StarsBy Ken Hoganexcellent value0 of 0 people found the following review helpful. Five StarsBy MANONTHECROSSgood stuff

The state flower, the Goldenrod, is one of thousands of species of plants growing in the diverse ecosystems found throughout the Bluegrass State. This beautifully illustrated guide highlights over 140 familiar and unique species of trees, shrubs and wildflowers and also includes an ecoregion map featuring prominent botanical sanctuaries. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.

About the AuthorZoologist Jim Kavanaugh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanaghs path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution.With 650+ titles in print and 6.5 million copies sold, Waterford Press publishes the largest line of folding-format reference guides in the industry. Our mission is to connect people to the natural world by making knowledge about wildlife identification, outdoor recreation, travel, and safety and survival skills accessible to a wide audience.
