**Sarah Goodwin-Nguyen : Key West: A Guide to Florida's Southernmost City (Tourist Town Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Key West: A Guide to Florida's Southernmost City (Tourist Town Guides):

8 of 8 people found the following review helpful. Perfect Overall GuideBy David H.My wife and I just returned from

a weeks vacation in Key West, where we used this guide for almost everything we did (except our BB which we had already reserved). We visited many of the "Must See" recommendations for restaurants and attractions, and agreed with virtually every grade she gave them. We carried the guide with us at all times, and except for a lunch and a breakfast, we relied solely on her guide. We even used the guide for a one day trip to other Keys. I cannot say enough good things about this book and would recommend it to anyone visiting Key West without reservation! David 1 of 1 people found the following review helpful. Good basic information By colcos We are spending a few days in Key West and I think this guide will be very helpful for our short stay. First of all, I am thrilled it was available for Kindle, that was essential for me. I don't like to have to carry a lot of books and Magazines when I travel. Second, I love the logical layout and the simple straight forward writing style that make it so easy to find the info I am looking for. For example, It is our anniversary and we wanted a special occasion restaurant with a great sunset view. Found it! I liked how the author adds how touristy or not a activity or restaurant is. This is important to me because touristy often equates to poor quality and over pricing. The author also notes gay and lesbian friendly establishments, not a factor to me but I also don't want to solely have that experience. Nice little book. 1 of 1 people found the following review helpful. Five Stars By Pam Nice to have while on vacation in Key West. My favorite of all the guides I purchased.

Explore Key West, the continental U.S.'s southernmost city, with Tourist Town Guides R. This completely independent guide, revised and updated, will help you plan the perfect vacation, with information about: . must-see beaches and activities. the best restaurants and bars. at-a-glance "top 5" recommendations Travel prepared-use Tourist Town Guides R to help make the best decisions on how to spend your time in the Conch Republic.

About the Author Sarah Goodwin-Nguyen and husband Andrew moved to Key West from New York City in 2005. When not writing, she can be found working with local wildlife as an aquarist, environmental tour guide, and wildlife rehabilitator. Her poems and stories have appeared in many anthologies, journals, and ezines, including the Key West-based journal Secret of Salt.
