Fun facts for your trip to DisneyBy Brian H.Purchased for my wife to read during our flight to Disney - it kept us all busy for the whole plane ride - lots of new and interesting facts loaded right onto our ipad (via the kindle app) So glad I grabbed it when it was free!2 of 2 people found the following review helpful. Helpful, Thorough, and Just the right lengthBy T. Miller"Keys to the Kingdom" by R. Wilk is a great book for any Disney new-comer. Every land and attraction is noted in this eBook, and an explanation of the more notable attractions is given. It is a fun review for any Disney veteran to read as well. Wilk points out which attractions are a 'must see', dining guides are supplied, and helpful tips about general park touring are given. All photos are in color, and the maps provided are current (as of Jan 2013). The length of the book is perfect, not too short, but not overly long either. The information given was an ample amount. Overall, I'd recommend this book to the Disney first-timer or to someone who hasn't visited WDW in many years. It was a fun read and held my attention.1 of 1 people found the following review helpful. I bought this book about a year ago when I ...By KJI bought this book about a year ago when I started to plan our Disney Vacation. Now I have a long list of activities, non-ride related, for us to do when we visit the Mouse's Kingdom in a few months with our young child. Mr. Wilk's book has shows and activities that even my Disney fanatic Floridian friends with passes did not know!
