**Edward Gertler : Keystone Canoeing: A Guide to Canoeable Waters of Eastern Pennsylvania** before purchasing it in order to gage whether or not it would be worth my time, and all praised Keystone Canoeing: A Guide to Canoeable Waters of Eastern Pennsylvania:

0 of 0 people found the following review helpful. Keystone Canoeing: A Guide to Canoeable Waters of Eastern PennsylvaniaBy Gary N. WantzI like this book very much. It will prove to be a great book for reference material to help me design trips in Pa. with my kayak for pleasure and fishing. This state has plenty of water to use with a canoe or kayak to fish by floating on all day trips.0 of 0 people found the following review helpful. Five StarsBy SewcareyGreat book.0 of 0 people found the following review helpful. Paddling PennsylvaniaBy Pa kayakerEveryone who kayaks should have a copy of this book. It shows you where to portage and helps with planning how far you want to go.
