Helen Byers : Kidding Around Boston: A Young Person's Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Kidding Around Boston: A Young Person's Guide:

1 of 1 people found the following review helpful. good guide to sites for kids to readBy S. RallThe book is arranged in geographical order and briefly describes the sites in Boston that might interest a kid. It also touches on the history of the city. Much shorter and less detailed than the new version,so maybe better for early elementary kids, but written in 1990, so somewhat out of date.

Find out about the old and the new--historical sites like Boston Common, Old North Church, and Paul Revere's house as well as magical places like the New England Aquarium.
