KIDS LOVE MARYLAND lists and reviews hundreds of kid-tested attractions and events throughout the state. Besides all of the details (where, when), the book is best known for its easy-to-read reviews of what is most engaging about each site. And, you'll discover most of the book explores places besides major attractions. You won't find this information together in any other resource or on the internet. Great idea for unique, easy day trips or vacations.

"You spent more than 1000 hours doing this research for us, that's really great - we just have to pick up the book and it's done!" -- NBC ANCHOR "The great thing about these books is that your family actually lives these adventures" -- CBS ANCHOR "Very helpful to lots of families when the kids say, I'm bored...and I don't want to go to the same places again!" -- CBS ANCHOR From the Publisher In Maryland, you'll discover hidden history, forgotten islands, secret messages, and decorative "decoys". Search its waters for the best harbor havens, Chesapeake crabbing, and brilliant beaches. Maybe even ride the first rail or conquer majestic mountain trails. But, planning trips can be so frustrating ... especially when your kids seem bored and are begging for new ideas on something fun to do. Searching on the internet takes so much time - especially if you're planning a short trip with other family or friends. And, how can you decide which places are "kid-friendly" and a good value? "Traveling with family friends shouldn't be so hard. We wanted to make family time easy so, we researched and wrote this book" say parents/authors George and Michele Zavatsky. After 1000 hours of personally researching and kid-testing every corner of the state, we've put together exclusive hints on what kids like best in KIDS LOVE Maryland.
