I like that kids can get away from their electronical devices. Could be great for homeschooling resource even if you dont plan to visit. I downloaded 3 guides until now: Los Angeles, San Diego and Washington, DC (the latest). My kids enjoyed each and every one of them. I plan to purchase the physical books also0 of 0 people found the

Should probably look for a more reputable tour book providerBy FurloughedAgainJust ok. Found several errors in the book. For example, they stated that the Jurassic Park ride was located at Knotts Berry Farm. It is at Universal Studios. I really had higher expectations.
