I didn't look at it close enough before I bought it and expected a book for me talking about sights we could visit that were kid friendly. Instead we got this wonderful, interactive guide for kids. My 9 year old son enjoyed the

activities. From day one it had him involved in our vacation and excited for sight seeing! 2 of 2 people found the following review helpful. Another great book from this series our family love it! By Nebojsa This book is absolutely pure fun and joy. Its our second one from this series after a very special vacation in Italy. The NYC book includes lots of fun but important facts about the main attractions: Statue of Liberty, Empire State Building, Broadway, Central Park, museums it all very colorful and very attractive for our kids. 0 of 0 people found the following review helpful. Great guide to NYC for kids By reader susan Introduces kids to the wonders and excitement of New York City. Kids get to know all about the city and its history, special sites, and famous landmarks including information about subways and taxis, parks and zoos, baseball teams, popular entertainment, and much more. Keeps them busy with tasks and quizzes related to exploring the different sites. A great guide to help kids get more out of an NYC trip.
