**Cheryl L Kirk, Noriko Senshu : Killer Sudoku!** before purchasing it in order to gage whether or not it would be worth my time, and all praised Killer Sudoku!:

Get ready for the most frightening Sudoku book around! Killer Sudoku! combines the scary, and amazing artwork of Noriko Senshu with over 200 difficult 'killer' Sudokus, including a variety of 16 x 16 puzzles. And that's not all! This book 'bears it all' with tons of bear facts about the elusive Grizzly Bears that roam Alaska. Written and illustrated by Alaskans, this is the real deal - the REAL Killer Sudoku! And best yet, you can't cheat because there are no answers in the back of the book. But don't despair! There are tips along the way to help you solve these very, very difficult puzzles. And the level of puzzles has been checked in a variety of newspapers and Sudoku tournaments. So you know

these puzzles are tough! If you love bears, Alaska, Sudoku, one or all three, this book is for you!
