**Knopf Guides : Knopf Guide: San Francisco** before purchasing it in order to gage whether or not it would be worth my time, and all praised Knopf Guide: San Francisco:

3 of 3 people found the following review helpful. A must-have for fans of SF!By KarenSantaFeI love the new Knopf series of travel guides. They are visually strong, easy to use, give great overviews of everything from geography to ancient history to architecture to the standard restaurants, museums and hotels. I highly recommend this guide!6 of 7 people found the following review helpful. The handsomest city guide you'll ever seeBy Steven DhueyI am a former book editor, and I admire the brilliant integration of illustrations and text on every page spread of these Knopf guides. The San Francisco guide is no exception. The city is covered from every angle, and every angle is done so well.
