Jay Jennings : Knott's Berry Farm:: The Early Years (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Knott's Berry Farm:: The Early Years (Images of America):

Before there was a Disneyland, there was Knotts Berry Farm. What started out in the early 1920s as a small, roadside berry stand in Buena Park, California, grew over the next 60 years into one of the most popular amusement parks in the world. Its founder, Walter Knott, along with his wife and family, knew no boundaries when it came to expanding his small berry market and tearoom into the world-famous Chicken Dinner Restaurant and later adding his ultimate

achievement, Ghost Town. This book documents the early history of Knotts Berry Farm, featuring over 200 rarely seen images.
