Thor Heyerdahl : Kon-Tiki: Across the Pacific in a Raft before purchasing it in order to gage whether or not it

would be worth my time, and all praised Kon-Tiki: Across the Pacific in a Raft:

0 of 0 people found the following review helpful. Kon-TikiBy TimberrockRanchI had read this book in paperback form when I was a kid and something recently prompted me to recall their expedition. I was very pleased to find copies available. This hardcover copy looks almost new, although you can see that it is an older volume. A very enjoyable and fast read.2 of 2 people found the following review helpful. Incomplete versionBy Bit TwiddlerThe scanned text is of good quality but the pictures and maps included in the hardcover version that reinforce his findings are missing. Therefore this version has limited value. Maybe that is to be expected considering the low price.1 of 1 people found the following review helpful. An incredibly trippy experience. You will never in your ...By LianeAn incredibly trippy experience. You will never in your life experience this, but you can do it vicariously through Thor. One of those books that surprises you in so many completely unexpected ways. It really opened my eyes to the mystery and beauty of a world that most people can never see.

Now a major motion picture, Kon-Tiki is the record of Thor Heyerdahls astonishing three-month voyage across the Pacific.Kon-Tiki is the record of an astonishing adventurea journey of 4,300 nautical miles across the Pacific Ocean by raft. Intrigued by Polynesian folklore, biologist Thor Heyerdahl suspected that the South Sea Islands had been settled by an ancient race from thousands of miles to the east, led by a mythical hero, Kon-Tiki. He decided to prove his theory by duplicating the legendary voyage. On April 28, 1947, Heyerdahl and five other adventurers sailed from Peru on a balsa log raft. After three months on the open sea, encountering raging storms, whales, and sharks, they sighted landthe Polynesian island of Puka Puka. Translated into sixty-five languages, Kon-Tiki is a classic, inspiring tale of daring and couragea magnificent saga of men against the sea. This edition includes a foreword by the author and a unique visual essay of the voyage.

Language NotesText: English, Norwegian (translation)About the AuthorThor Heyerdahl was a Norwegian explorer, adventurer, and writer. Born in 1914, he became famous for his daring 1947 Kon-Tiki expedition. He died in Italy in 2002.
