**Kate Crowley, Mike Link : Lake Superior's North Shore and Isle Royale (Voyageur Wilderness Books)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lake Superior's North Shore and Isle Royale (Voyageur Wilderness Books):

Discover the many attractions to be found around the shoreline of the largest freshwater lake in the world. With years of experience in the area, our local naturalists give you an in-depth look at the mountainlike highlands, deep river canyons, wave-washed bays, and off-shore islands.
