From Brand: Ann Arbor Media Group : Lake Superior Secrets: Photographs Reflections before purchasing it in order to gage whether or not it would be worth my time, and all praised Lake Superior Secrets: Photographs Reflections:

0 of 0 people found the following review helpful. Great author/photographerBy Kathleen M.Beautiful photos and the author/photographer writes beautifully as well. Brings back so many good memories of growing up in Michigan.1 of 1 people found the following review helpful. ExcellentBy diamondThis book is better than I thought it would be! I purchased it for my grandmother, who grew up in the northern peninsula, and she recognized a lot of the photos. It brought back many memories for her, so I know this was a good buy.4 of 4 people found the following review helpful. breathtaking!!By WendyBeautiful book! It captures some amazing photography of the North Shore. EXQUISITE!!

Breezes traveling across its large expanse cool the skin. The scream of a bald eagle as it sweeps a salmon from Agawa Bay slices the fog. The fragrance of untouched places permeates the boreal forest. August blueberries are bittersweet. Photographer Bruce Montagne finds a dimension of the lake rarely observed, the intangible one. The journey has been long and unpredictable. What started out as simple excursions to the region became a quest to unravel its hidden themes, the secrets of Lake Superior. The resulting images flow from quiet and contemplative to breathtaking and grand. Montagne invites all of us to discover Lake Superior through this intimate experience.

About the AuthorPhotographer Bruce Montagne has explored wild locations in Canada, the northern United States,

and the Lake Superior region for more than 15 years. His journeys have taken him from Ontario's Algonquin Park to the Northwest Territories' remote barrenlands to canoe 150 miles on one of North America's wildest rivers. Bruce's images are widely published by clients including Audubon, Smithsonian, Discovery, National Wildlife Federation, Sierra Club, and Lake Superior Magazine.
