The Lake Tahoe Adventure Set consists of a Pocket Naturalist Guide and National Geographic Map, offering a perfect resource for travelers wanting "hands on" information on what to see and where to go to find some of the world's most dramatic natural attractions. Lake Tahoe Basin Plants Animals is a durable, lightweight guide that highlights familiar species found in this region with beautiful full-color illustrations and clear, concise descriptions. It is a great, easy to use reference while exploring through this diverse area. It is packaged with National Geographic's Lake Tahoe Trails Illustrated Map, a folded waterproof map that provides global travelers with the perfect combination of detail and perspective. This map also contains brilliantly detailed topographic information, useful traveling tips, and tons of regional information.
