Land Between The Lakes Outdoor Handbook, by Johnny Molloy, is the only comprehensive guide to the magnificent Land Between The Lakes National Recreation Area on the Kentucky-Tennessee state line. The handbook is divided into two sections--water activities and land activities. The water section guides visitors to important fishing spots and lakes, as well as outlines one of the longest paddle trails in the Midwest--the 85-mile-long Land Between The Lakes Paddle Route. Descriptions of all lake accesses and swimming beaches are also included.The land section offers detailed descriptions of more than 300 miles of hiking trails (including the 60-mile-long North-South Trail). Finally, the guide offers an extensive reference section, detailing alternate lodging possibilities, outfitters, and conveniences located in nearby towns.This new edition is completely updated and features new trails and new photos.
