National Geographic Maps : Las Vegas (National Geographic Destination City Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Las Vegas (National Geographic Destination City Map):

1 of 1 people found the following review helpful. Lousy map from rental car company is better than thisBy Dane County WomanNot enough detail on full Las Vegas area; where is major suburb Henderson with its shopping, restaurants and casinos?Lousy map from rental car company is better than this, greatly disappointed in Nat Geo.0 of 0 people found the following review helpful. Great street map of Las Vegas!By Leadership PublishingGreat street map -- highly recommend.0 of 0 people found the following review helpful. Five StarsBy Bonnie L. MccartyGood

Waterproof Tear-Resistant Travel MapHome to some of the world's best known mega casinos-hotels, Las Vegas is internationally recognized by its unique cityscape along The Strip. Whether traveling to "Sin City" for business or pleasure, National Geographic's City Destination map of Las Vegas will be an invaluable travel companion, serving both as a comprehensive street map and well-researched travel guide. The map's front side features a regional map and inset maps of the downtown area and Grand Canyon, Bryce Canyon and Zion National Parks. An overview of the transit system along with a diagram of McCarran International Airport will help you get acclimated to the city. Information is also provided about popular attraction in and around the city. The main road map is on the reverse side, detailed with hundreds of points of interest, hotels, notable buildings, parks and theaters, as well as police stations, hospitals and post offices. Many top attractions are displayed in 3D, including the Stratosphere Tower, the Bellagio and MGM Grand. A user friendly index of streets and points of interest, will help you find your destination and plan your route quickly and efficiently. Every Destination Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of any kind of travel.Map Scale = 1:21,000Sheet Size = 17.75" x 24.75"Folded Size = 4" x 8.75"

About the AuthorFounded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking.Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
