I appreciate that this writer loves Vegas but I would have liked more in-depth information about a wider range of hotels and other options. A hotel map wouldn't hurt. However, a good effort that flows easily.

I have known Las Vegas as "The Entertainment Capital of the World"... and that's all. However, when I read this book, it allows me to go around the top highlights in the city. It introduces the best things you'll find in this place. I learn how beautiful this place is. Great book indeed!

Don't waste your time or money with this. I've gotten more useful info from atypical magazine I'll be article or blog post.

Lose yourself on the mesmerizing streets of Las Vegas  
Sin City, the Entertainment Capital of the World, Las Vegas has many nicknames and one infamous reputation. With hundreds of thousands of visitors flocking to its world-renowned casinos, this city is a veritable playground for adults in search of a good time. Whether you are interested in the best spots to place a bet, play a really good poker game or simply bask in the lavish atmosphere of a dazzling resort, Las Vegas is the place to be. You don't have to be a serious gambler in order to enjoy all the incredible things this city has to offer. An oasis of lights and noise right in the middle of the Mojave Desert, Las Vegas is famous for many things, including its ginormous hotels, great shopping places and sold-out shows. However, it can be quite difficult to navigate all the amazing things this American city has to offer. That is why you need this compact book which features the best places to visit, see and experience in Sin City.
