Antoine De Saint-Exupery : Le Petit Prince - Educational Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Le Petit Prince - Educational Edition:

1 of 1 people found the following review helpful. its an amazing book for kids and adults and every single time ...By EVA SUAREZThis is a must have for any reader. I got this book for the first time when I was 6 years old. It was my mom gift after I started to read. I'm 47 years old now and still read it from time to time, its an amazing book for kids and adults and every single time you read it you'll get something out of it. This was my gift for my nice and will be buying another one soon for my daughter2 of 2 people found the following review helpful. great for bilingual students tooBy M. BrooksBought this because it was a popular book when I was in college -- had two students new to the US and they were still learning English. This book is available in English and Spanish and allowed me to be able to give Spanish versions to two students while I used the English version. It was a great bridge to help us communicate with each other and help the young teens get more comfortable with a new language. Timeless story that adapts to many cultures.19 of 21 people found the following review helpful. Si trae las ilustracionesBy jose e.Acabo de recibir este libro y es mentira que no trae las ilustraciones, las trae todas

French language edition of the classic story of meaning, love, and beauty. Considered one of the most beloved books of the century. The Little Prince (French: "Le Petit Prince"), first published in 1943, is a novella and the most famous work of the French aristocrat writer, poet and pioneering aviator Antoine de Saint-Exupry. The novella is both the

most read and most translated book in the French language, and was voted the best book of the 20th century in France.
