From Rainbow Expeditions : Lees Ferry, Arizona; A Recreational Map to a Portion of the Grand Canyon National Park Vicinity (Grand Canyon Recreational Map Series, Map No. 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lees Ferry, Arizona; A Recreational Map to a Portion of the Grand Canyon National Park Vicinity (Grand Canyon Recreational Map Series, Map No. 1):

The obverse features a complete topographic map while the reverse features plenty of textual and photographic data. The map includes topographic contours and spot elevations, road and trail classifications, and numbered recreational features broken down by points of interest, routes and trails, and river rapids. The back includes descriptions and photographic images of the numbered recreational features, a warning to Colorado River users, a back country permit warning, and acknowledgements. Two-sided, self-cover, paper map. Countour Intervals: 40' and 80'
