Chris Doyle : Leeward Island Anchorages before purchasing it in order to gage whether or not it would be worth my time, and all praised Leeward Island Anchorages:

0 of 0 people found the following review helpful. the photos with directions are of great help in entering and exiting the various anchorages in ...By PhilaThis particular copy of "Leeward Island Anchorages" was from 2002.....A lot has changed in the Leewards since then.....it is helpful however..the photos with directions are of great help in entering and exiting the various anchorages in the book.....3 of 3 people found the following review helpful. A good referenceBy Paul H.We have used another title in the series and found it very useful. The photos show not only the areas in question but also the approaches. We use this guide in conjunction with charts because nothing says it easier than a picture! Highly recommended but remember to use charts also.

Leeward Anchorages, graphically, and through spectacular aerial photography, depicts dozens of favorite anchorages and harbors throughout the Leeward Islands of the Caribbean. The book is to be used in conjunction with navigational charts and is a companion book of The Cruising Guide to the Leeward Islands. It is an indispensable aid for the yachtsman or charterer visiting these legendary islands.

About the AuthorChris Doyle, a resident of Grenada, is a full time cruising guide author and spends over 6-months of the year sailing through the Caribbean, updating his books. He built his sailing survey catamaran Ti Kanot in Trinidad, storing Ti Kanot at Power Boats in Chaguaramas when he travels abroad. He has been writing cruising guides since 1980 and in every area he covers, his books have become the best selling cruising guides.
