Falmouth Historical Society : *Legendary Locals of Falmouth* before purchasing it in order to gage whether or not it would be worth my time, and all praised *Legendary Locals of Falmouth*:

0 of 0 people found the following review helpful. Great pictures and history
By nancy I think that had they contacted Bucky Fish, they could have added so many more photos and history. I had several serve in the Rev War and Civil War that were from Falmouth that are buried either in Mill Road Cemetary or the one beside the police department. Many other relatives are inscribed on the monument on the Library grounds which was not mentioned. Maybe another book on the military history of Falmouth?

By Linda Nice book
0 of 0 people found the following review helpful. Five Stars
By Susan Needleman Excellent

The settling of Falmouth is a proud and powerful story with unexpected heroes, remarkable achievers, and unforgettable characters. The faces and stories of Falmouth range from the town's rebellious founding father, Jonathan Hatch, to the much-loved journalist Kitty Baker. Falmouth's past and present have always been marked by exceptional creativity and genius in the arts, sciences, and business. Falmouth, it can be said, is a town with a talent for allowing individuals to follow their unique paths. Witness Rachel Carson pursuing her lost birds and marine life at Woods Hole, Gus Canty pursuing his dreams through town sports, and James Miskell Sr. beginning the 100-year family legacy of Wood Lumber Company. This cavalcade of residents is presented in chapters on Falmouth founders, maritime folk, newcomers, and creative entrepreneurs, and it appeals to all who ever wished to be a part of small-town living.

About the AuthorThe Falmouth Historical Society, founded in 1900, has as its mission the preservation and promotion of the history of Falmouth. The society proudly shares its treasures of photographs and documents from its archives with members and with all who wish to share the all-American hometown experience.
