All of these were were outstanding contributors to Ft Worth. Nenetta contributed as much as Amon did. Gordon was one of the most outstanding artists in Ft Worth. Dickson and Flora had a children's theatre school on Summit in the 50s that was comparable to one in New York. And how about the founder of Pier One, Charles Tandy? I m a Ft Worther who wasted her money.0 of 0 people found the following review helpful. Good overview but I could submit about 100 more notable ...By Kay Davis Good overview

but I could submit about 100 more notable residents and pioneers. Maybe there will be a second book! 0 of 0 people found the following review helpful. This book was well researched. Learning more about Fort ...By Kathleen Danahy This book was well researched. Learning more about Fort Worth, noteworthy citizens, was very interesting.

Fort Worth is the City of Cowboys and Culture and where the West begins. Its citizens highlight the Texas can-do spirit and the determination and compassion to make a difference, to be legendary. When Buckley (B.B.) Paddock persuaded the railroad to lay track west of Dallas, a city was born and so was opportunity. Cowboys like T.J. Ryan rode into town with their cattle. J. Frank Norris preached against the vices in Hells Half Acre while Jennie Schueber tried to rally support for a free library. Feisty entrepreneurs like Ninnie Baird and John B. Laneri baked bread and sold pasta noodles. Cowtown also boasts such notables as Edna Gladney, who helped countless orphans find a home; the Clark brothers, who brought Texas Christian University home; and Claude R. Platte, who bravely served as a Tuskegee airman. These fine folks are just a sampling of Fort Worth's fascinating and sometimes infamous characters.
