Catherine Campanella : Legendary Locals of Metairie before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Legendary Locals of Metairie*:

0 of 0 people found the following review helpful. A great contribution to the history of Metairie By Salvador Urrate Jr. A great contribution to the history of Metairie. There are minor corrections and additions I will suggest to the author but it is great to have this history recorded in such a great fashion. My compliments to the author. 0 of 0 people found the following review helpful. Five Stars By Charles A. Epstein Very nice item. Prompt delivery and exactly as described. Satisfactory in every respect. 0 of 0 people found the following review helpful. Very detailed and accurate By TWMA Anyone with a past family history related to this area of New Orleans and the surrounding area this

is a must have,

Metairie is often considered the dull stepchild of New Orleans--a concrete ""Anywhere, USA"" lined with shopping malls frequented by fast-food eating, drive-up-daiquiri-drinking, cultureless suburbanites. Despite stereotypical misconceptions, sons and daughters of New Orleans who call Metairie home are every bit as colorful, talented, devious, and gracious as their relatives in the city. Johnny Wiggs kept New Orleans jazz alive. Verne Tripp invented ""perma-press"" and pioneered use of the electron microscope. On Atherton Drive, David Ferrie plotted a Cuban coup. Peter Gennaro left his father's bar to become a Broadway star. Shirley Ann Grau raised her children here while writing novels. Al Scramuzza built a crawfish empire and coached Metairie children. Ellen Degeneres found national fame, while Becky Allen won our hearts at home. Those who may not be widely known but have impacted lives in the community and afar are also included in this book, which is a tribute to the people of Metairie.

About the Author Catherine Campanella is the author of New Orleans City Park, Metairie, and Lake Pontchartrain--all published in Arcadia's Images of America series. Here, she includes images from historical archives, family collections, and her own photographs.
