Gayne Young : Texas Safari: The Fishing Guide to Texas before purchasing it in order to gauge whether or not it would be worth my time, and all praised Texas Safari: The Fishing Guide to Texas:

Texas Safari: The Fishing Guide to Texas is the complete guide to fishing in and offshore of the Lone Star State. It is the only guide that includes: a) Profiles of all major fresh and saltwater game species b) Information on the major

rivers, lakes and bays in addition to material on coastal and offshore fishing c) Information on guides, private lakes and resorts d) Sidebar articles on historic fishing trips, equipment, and invasive species as well as details on health and safety on and around the water Texas Safari: The Fishing Guide to Texas will prove to be the one guide that fishermen will take to the water again and again.

"Once again Gayne Young, with his energetic style, unbridled enthusiasm for the outdoors and unique flair for the written word, has created an angler's masterpiece befitting of the Lone Star State." --Michael Schoby, author of Do-It-Yourself Dream Hunts "Gayne Young's irreverent humor and engaging storytelling ability make this not just an authoritative guide to fishing the Lone Star State, but an extremely fun read, to boot." --John Taranto, Senior Editor, Outdoor Life Magazine "Whether you're into battling coastal monsters of the deep or working the secluded cove of a suburban lake, this book provides Lone Star visitors and natives alike with all the information they need for many successful days on the water." --Doug Howlett, Editor, Southern Sporting Journal "Gayne Young's irreverent humor and engaging storytelling ability make this not just an authoritative guide to fishing the Lone Star State, but an extremely fun read, to boot." --John Taranto, Senior Editor, Outdoor Life Magazine "Whether you're into battling coastal monsters of the deep or working the secluded cove of a suburban lake, this book provides Lone Star visitors and natives alike with all the information they need for many successful days on the water." --Doug Howlett, Editor, Southern Sporting Journal About the Author Gayne C. Young's work has appeared in such national magazines as Sporting Classics, Sports Afield, Outdoor Life, Under Wild Skies, and Gray's Sporting Journal. In addition, he is a columnist for both Sporting Classics and Southern Sporting Journal and a field editor for Game Trails.
