Stretching for 367 miles from Sea Rim State Park to Boca Chica State Park, the Texas coastline encompasses a variety of diverse habitats that are home to thousands of species of plants and animals. This beautifully illustrated guide highlights over 140 familiar and unique species of seashore birds, mammals, seashells, crabs and their kin, nearshore fishes and plants. It also includes a map featuring prominent wildlife-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.

"Waterford Pocket Guides transform a walk on the beach or a hike in the woods into a rich opportunity to explore our world and the creatures we share it with. Beautifully illustrated, they're delightful and easy-to-use guides that tuck conveniently into pocket or purse - must-haves if you enjoy nature with your kids or grandkids!" - Homemakers Magazine "The Pocket Naturalist series ... quickly and easily introduces novice outdoorsmen to the wonders of animal and plant life, as well as other aspects of the wilderness." - Camping Life, November/December 2004 "Pocket Naturalist guides are to nature-loving backpackers what CliffNotes are to teens trying to navigate Shakespeare: essential." - Backpacker Magazine
