**Dr T Lindsay Baker : Texas Stories: I Like to Tell My Friends** before purchasing it in order to gage whether or not it would be worth my time, and all praised Texas Stories: I Like to Tell My Friends:

1 of 1 people found the following review helpful. Entertaining lore of TexasBy Rough CustomerDr. Baker has produced another winner book with this string of stories, which remind me a lot of the "Off the Beaten Trail" books by Ed Syers (written in the 1960s), and the "Tales of Badmen, Bad Women, and Bad Places" by C.F. Eckahardt. These are the kind of stories that grandpa told me when I was a kid, the oral history, and place-history of the state of Texas from the 1800s that make Texas so historical and interesting.0 of 0 people found the following review helpful. StarsBy John R AllenStories ok but you wanted more info He should have researched the subjects more0 of 0 people found the following review helpful. Five StarsBy Karen RigbyEverything ok on this order.

An entertaining collection of stories about Texas that will leave readers laughing, crying, and understanding the people of Texas better.
