**William Dylan Powell : Texas Then and Now (Then Now Thunder Bay)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Texas Then and Now (Then Now Thunder Bay):

0 of 0 people found the following review helpful. Four Stars By Jodie Y. as advertised 1 of 1 people found the following review helpful. Texas Then and Now By Patricia M. Blair Our historical commission donated this book to the county library, in memory of a deceased member. Each 2-page spread focuses on a city landmark (most in the major cities of Texas), with "then and now" photos. It is very well done. 0 of 0 people found the following review helpful. ) Great book. Great purchase By Carrie For any history buff. For any Texas Forever kind of person. For anyone who loves the Lone Star State :) Great book. Great purchase. Excellent coffee table book as well.

Texas then was a cowboy state where men wore ten-gallon hats, boots, and leather chaps. Texas then boasted the famous Alamo in San Antonio, the regal Cotton Exchange in Houston, Austin's imposing Victorian-era Travis County Courthouse, and the elaborate Adolphus Hotel in Dallas. Texas now sees these antique structures surrounded by modern marvels like the magnificent scarlet-colored Dallas Opera House, the sweeping headquarters of NASA, and impressive business districts like Congress Avenue. Texas now is a state of sophistication as well as a state of men clad in riding boots and cowboy hats. See the old, the new, and the relics that bind them together in Texas Then and Now, a stunning pictorial that juxtaposes historic and contemporary photos of the proud state of Texas.

About the Author William Dylan Powell is a full-time freelance author based in Texas. Powell writes for a number of major publications, corporations, and advertising agencies in the Southwest. He is a member of the Writers' League of Texas and the Texas State Historical Association. He is the author of Houston Then and Now and Austin Then and

Now.
