I love that it is water resistant because she sometimes takes it on her outdoor adventures as well.1 of 1 people found the following review helpful. Excellent Guide for Texas Native WildlifeBy BB LeighThis is the best guide we, native Texans, have ever found for Texas Wildlife common species. We keep ours in our entry table drawer and use it several times a week.Our 9 year old son has learned much, and become familiar with so many varmints, birds, insects, and critters thanks to this nicely laminated, fold-up guide!Have purchased another for a gift, we like it that much!0 of 0 people found the following review helpful. Five StarsBy lk57I actually used this guide several times and found it a handy quick tool.

The state small mammal, the armadillo, is one of the thousands of species of animals inhabiting the diverse ecosystems found throughout Texas. This beautifully illustrated guide highlights over 140 familiar and unique species of mammals, birds, reptiles, amphibians, fishes and butterflies/insects and includes an ecoregion map featuring prominent wildlife-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.
