Adolph S. Cavallo : Textiles: Isabella Stewart Gardner Museum before purchasing it in order to gauge whether or not it would be worth my time, and all praised Textiles: Isabella Stewart Gardner Museum:

Many of the tapestries are famous but most of the textile collection is little known. Because textiles are displayed throughout the Museum, and certain fine pieces have been placed in storage to preserve them, it has been almost impossible for the visitor or visiting scholar to survey the collection until the appearance of this catalogue.
