I gives me inspiration to get out there and do it!! Good guide book, covers many areas.!0 of 0 people found the following review helpful. Excellent. Lots of detailBy Philip LivseyThis is an excellent resource. I feel a real debt to the authors. They describe a huge number of places with helpful descriptions and access points. A book like this gives someone not familiar with the area a good chance to enjoy it.

Eighty of the best paddle trips covering the Lake Erie, Lake Ontario, and Finger Lakes drainages, as well as the Allegheny River watershed. Includes launch sites, difficulty levels, distances, and takeouts. Edited by Mark Freeman. 247 pages. Softcover.
