From Adventure Directory Company : The Adventure Sports Directory before purchasing it in order to gage whether or not it would be worth my time, and all praised The Adventure Sports Directory:

1 of 1 people found the following review helpful. Great one-stop source of info on a vast range of adventures By A Customer LIFE SHOULD ALWAYS BE AN ADVENTURE! Ever wanted to paraglide, bungee jump, free fall parachute, climb mountains, ski the backcountry, dive the depths, cross Africa on horseback, sail the globe...but don't know how? Try this directory. It contains info on about 50 different adventure sports - the how, the where and the who. (Current edition has a predominantly UK/European focus but there are plenty of suggestions for those of us

elsewhere in the world.)
