Fantastic Yosemite landmark - memoriesBy TallladytxMy sister and I were lucky enough to have lunch at this beautiful hotel in April, right in the heart of the dogwood blooming, it was stunning! Lunch in the great hall at one of the huge windows looking out into the forest made it hard to eat, we couldn't keep our eye on the food! We spent the next two hours walking off our lunch all around the inside outside grounds of the hotel. There is so much to appreciate with the art and architecture. Walklet's book is a great guide, it let us relive all its glory, full of extensive research and historical photographs. Really wonderful and a true love story to the Ahwahnee. Makes an AWESOME coffee table book.0 of 0 people found the following review helpful. Very cool book for pictures and history of The AhwahneeBy C. WhitcherBought this book as a "hint" for a surprise birthday gift.

Very cool book for pictures and history of The Ahwahnee. I got the book for about \$20 on . Same book is available for the same price in the gift shop at The Ahwahnee.0 of 0 people found the following review helpful. Great Ahwahnee history overview.By MellomoonGreat overview of Ahwahnee history, with beautiful photos. Captures the majesty of the structure and it's art and style. A great souvenir to remember the visit to this magical place.

This beautifully produced book tells the story of the conception, construction, and occupation of the Ahwahnee, one of the finest lodges in the national park system. Meticulously researched and illustrated with over one hundred photographs, the volume includes images of the majestic hotel, details of its unforgettable design, and juicy tales about its many celebrity guests, including Queen Elizabeth and Prince Philip, John F. Kennedy, and movie stars like Mel Gibson and Brad Pitt.
