Karen Jettmar : The Alaska River Guide: Canoeing, Kayaking, and Rafting in the Last Frontier (Alaska River Guide: Canoeing, Kayaking, Rafting in the Last Fronti)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Alaska River Guide: Canoeing, Kayaking, and Rafting in the Last Frontier* (Alaska River Guide: Canoeing, Kayaking, Rafting in the Last Frontier):

2 of 2 people found the following review helpful. Comprehensive review of so many rivers
By Paul Marshall
This was a great way for me to understand the basics of what the various rivers in Alaska had to offer in preparation for taking a trip last summer. You'll want to get more detailed info on any given river you go to, but this is great for the initial preparation and helping to choose from between the various rivers.

Good for beginners
By Lane Hughe
Good for beginners, its easy to understand and great guide
0 of 0 people found the following review helpful. Good read.
By Customer
Great info, not many pics, only got to explore a few listed but it was helpful to read about them beforehand.

"The Alaska River Guide" offers the most up-to-date, authoritative information for planning every kind of trip, from a mellow float on an urban river to a month-long expedition on a river with a variety of recreational challenges. More than 90 trip possibilities Let you plan an Alaska river trip suitable for beginners and families or for experienced whitewater kayakers.

This is dream material. Imagine canoeing the North Fork of the Koyukuk. You can put in near Mount Doonerak and drift through the Gates of the Arctic National Park. The Alaska River Guide will make you want to do it. Fairbanks Daily News-Miner This book, by Karen Jettmar, will help to preserve Alaskas precious natural heritage.
