**Judith St. George : The Amazing Voyage of the New Orleans** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Amazing Voyage of the New Orleans:

Recounts the voyage in 1811 of the "New Orleans", the first steamboat to travel down the Ohio and Mississippi Rivers, a trip fraught with dangers including North America's most violent earthquake.

From Publishers WeeklyIn 1811, pioneer Nicholas Roosevelt captained the steamboat New Orleans on an adventurous, 2000-mile journey from Pittsburgh to New Orleans. PW was enthusiastic about this "buoyant history . . . all depicted as only Rounds can." Ages 7-10. Copyright 1989 Reed Business Information, Inc.
