Dr. Joanne S. Grasso : The American Revolution on Long Island (Military) before purchasing it in order to gage whether or not it would be worth my time, and all praised The American Revolution on Long Island (Military):

0 of 0 people found the following review helpful. I grew up on Long Island and love Revolutionary historyBy nancyI grew up on Long Island and love Revolutionary history. I found this an interesting ready, especially knowing the places that were talked about.3 of 3 people found the following review helpful. SoSo ReadBy Stuart L. KleinWas for the most part very interesting but there are lots repeating of facts ad nauseam.I swear every time the author mentions

Hempstead she has to explain that there was a North and a South Hempstead and what the differences between them. Please give the reader some credit to remember the facts after the first or second mention. 0 of 1 people found the following review helpful. Informative history on Long Island By Customer Informative history and accounts of the American Revolution on Long Island and it's surrounding areas. Quick read. Educational. Highly recommended.

The American Revolution sharply divided families and towns on Long Island. Washington's defeat at the Battle of Long Island in August 1776 started seven years of British occupation. Patriot sympathizers were subject to loyalty oaths, theft of property and the quartering of soldiers in their homes. Those who crossed the British were jailed on prison ships in Wallabout Bay in Brooklyn, where an estimated eleven thousand people died of disease and starvation. Some fought back with acts of sabotage and espionage. Washington's famed Culper spy ring in Oyster Bay, Setauket and other areas successfully tracked British movements. Dr. Joanne S. Grasso explores the story of an island at war.

About the Author Dr. Joanne Grasso is an adjunct assistant professor of history and political science, specializing as an Americanist in the American Revolution, among other areas. She teaches at area Long Island colleges and is a member of the Daughters of the American Revolution, Society for Historians of the Early American Republic and the American Revolution Round Table in New York City.
