Henry James : The American Scene before purchasing it in order to gauge whether or not it would be worth my time, and all praised The American Scene:

The American Scene is a book of travel writing by Henry James about his trip through the United States in 1904-1905. Ten of the fourteen chapters of the book were published in the North American Review, Harper's and the Fortnightly Review in 1905 and 1906. The first book publication was in 1907, and there were significant differences between the American and the English versions of the book.
