The Bible of park guidebooks---absolutely outstanding!!By A CustomerThis book is just awesome...it reviews over 350 theme parks, amusement parks, and waterparks all over the U.S. and Canada, providing everything you'd want to know about every park...the great roller coasters and other thrill rides, costs, operation schedule, directions, special tips, insider facts and trivia, historical milestones, etc. Also gives phone numbers and website addresses for each park. The author is a life-long park expert and senior editor of a major park industry publication...he really seems to know his stuff, and he injects some fun and personality into the book. It's a great guide to use to plan your park trips and to carry with you for quick reference. It's also fun to sit down and read through it because it gives so much interesting trivia on the parks. Just a fantastic, authoritative, fun, easy-to-use resource on parks.
