**Robert Emmet Meagher, Elizabeth Parker Neave : The Ancient Ireland Guide** before purchasing it in order to

gauge whether or not it would be worth my time, and all praised *The Ancient Ireland Guide*:

1 of 1 people found the following review helpful. Superb in all respects  
By Ward Ward  
Brilliantly written and researched. This book is history imprinted on a current landscape. Full of great facts cleverly presented. A must read to understand that the history of Erin.  
3 of 3 people found the following review helpful. Tour of Ancient Sites  
By Shirley H.  
This book covers 14 of the ancient sites I will be visiting on my tour, and I am very pleased w/the amount of information that is provided..

Personal, humorous, engaging, scholarly, and minutely practical  
A splendid guidebook to Ireland's spectacular antiquities-its passage tombs, ring forts, castles, Neolithic settlements, and monastic sites. With its witty and erudite explorations of Irish mythology, history, literature, archaeology, and architecture, this travel book makes for an excellent companion on a journey to Ireland that is also a journey back in time. Along with fascinating overviews of prehistoric, Celtic, early Christian, and early medieval times, Meagher gives the traveler concrete help in finding the most stunning sites that preserve and breathe that history today (some are surprisingly unknown). After the day's exploring is done, readers can consult the same volume to find where to stay and eat... or entertaining bed-time reading in Meagher's lore about these ancient sites. Though there is many a guidebook to Ireland - after all, it's said the country gets 8 million visitors annually - no guide is so informative and useful in combining inquiry with exploration. In *The Ancient Ireland Guide*, Meagher brings both his passionate scholarship and knowledge of the country and its history to this exceptionally well-written and practical guide.

About the Author  
Robert Emmet Meagher is a professor of humanities at Hampshire College in Amherst, Massachusetts, and the esteemed author or translator of nearly two dozen books, ranging from *Frommer's Ireland* and *Frommer's Dublin* to *The Essential Euripides* and *Herakles Gone Mad*. Elizabeth Parker Neave has traveled extensively in Ireland for two decades, and for several years collaborated on the *Frommer's* guides to Ireland. She is co-author (with Robert Emmet Meagher) of *Ancient Greece: An Explorer's Guide*. She currently teaches elementary school in Connecticut.
