Four StarsBy Tom BechtGood book but missing the map1 of 1 people found the following review helpful. Makes me want a off road vehicle.By george efstrationA lot of information on the region. Mostly set up for off road vehicle users which I am not, But still offered a lot of insight for my short trip to the desert. Makes me want a off road vehicle.

The authoritative, comprehensive guide to Southern California's most popular desert park, much of it still wilderness. A great guide for hikers, off-road travelers, equestrians, mountain bikers, photographers, and campers. Comes with folded 4-color map.
