Sophie Richard : The Art Lover's Guide to Japanese Museums before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Art Lover's Guide to Japanese Museums:

0 of 0 people found the following review helpful. Wonderful book, but too heavy to take along as ...By SashaWonderful book, but too heavy to take along as a guide. Good to browse and take notes before the trip. Wish it included more museums. (The one on the cover, by the way, is amazing.) 0 of 1 people found the following review helpful. Five Stars By C Every useful references

The museums of Japan feature rich collections and excellent exhibitions in world-class galleries. Yet they can be

difficult to navigate without first-hand knowledge. The Art Lover's Guide to Japanese Museums acts as a personal guide, introducing readers to some of the most distinctive and inspiring museums in the country. In depth information is given about each listed venue, including the story behind their creation. From magnificent traditional arts to fascinating artist's houses and from sleek contemporary museums to idiosyncratic galleries, museums are the perfect gateway to discover Japan's culture both past and present.

Cleverly designed and laid out, the book... explains the basics of getting the most out of Japanese art--Julian Ryall "South China Morning Post "[An] essential travel companion for art enthusiasts touring the nation.... The first of its kind, this book is a personal key into the sometimes intimidating, continually inspiring and vast world of Japanese art museums.... For something so insightful, it's lightweight, durable and beyond easy-to-navigate... Richard explored the rich, wondrous world of Japanese museums so that others can with ease.--David Graver "Cool Hunting "[G]orgeous.... If you'd prefer to travel from the comfort of your own sofa, "The Art Lover's Guide to Japanese Museums" is a perfect companion....The book is lightweight and flexible, and it can easily be slipped inside a backpack or a suitcase..., so don't feel as if you need to leave it on a shelf while you go and have adventures, whether those adventures are in Japan or at your local cafe.--Kathryn Hemmann "Contemporary Japanese Literature "Cleverly designed and laid out, the book... explains the basics of getting the most out of Japanese art--Julian Ryall "South China Morning Post "[G]orgeous....
