Jonathan Sternfield - : The Berkshire Book: A Complete Guide (Great Destinations) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Berkshire Book: A Complete Guide (Great Destinations):

0 of 1 people found the following review helpful. Wasted my money on thisBy antibashThe book is 30 years old and more of a history book. I was looking for vacation planner. Wasted my money on this purchase5 of 5 people found the following review helpful. The finest and most complete guidebook for the BerkshiresBy A CustomerThis is easily the best guidebook available for the Berkshires (a remarkable region of natural and cultural beauty in Western

Massachusetts.) Extensive, in-depth chapters not cover every attraction, restaurant, and type of lodging available in the region, but also provide a wealth of information on the history and culture of the region. If you're a day tripper visiting The Calarke Art Institute in the morning and the Norman Rockwell museum in the afternoon, you probably don't need this book, but if you're staying in the Berkshires for an extended time and long to really understand what makes this place so fascinating, you'll want a copy of The Berkshire Book in your suitcase.
