From Brand: Abbeville Press : The Best Dive Sites of the World before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best Dive Sites of the World:

This doublesized, richly illustrated dive guide features more of the very best sites from Abbeville's critically acclaimed diving series. From the Great Barrier Reef to the Florida Keys, from Polynesia to the Caribbean, from the Red Sea to the Mediterranean, this volume charts the globe for the worlds best dive sites. The short chapters covering each of the 50 dives provide crucial data and fullcolor, threedimensional maps to provide the information diving enthusiasts need to plan their dives for maximum enjoyment. Like every guide in the series, the lively text by dive experts has been vetted by Diving Science and Technology Corporation (DSAT), which is a corporate affiliate of the Professional Association of Diving Instructors (PADI), making these the most reliable guides for the expert as well as the firsttime diver.

Praise for Abbeville's Dive series: "the nearest thing to a dive you're likely to experience on dry landlike having a dive instructor at your elbow as you read." Chicago Tribune
