Not much information, better option availableBy Helen L.This book has limited details on campsites and does not even include any information on hiking and other activities nearby. I much prefer Scott Zamek's New Jersey State Parks Camping Recreation Guide. That book has detailed campsite information (even listing the best campsites), activities at each park, hiking trails as well as nearest restaurants stores. It is so much more comprehensive.

From the northern reaches of Stokes State Forest to the Atlantic coastal islands, camping in New Jersey has never been better. The Best in Tent Camping: New Jersey is a guidebook for tent campers who like quiet, scenic, and serene campsites. It's the perfect resource if you blanch at the thought of pitching a tent on a concrete slab, trying to sleep through the blare of another camper's boombox, or waking to find your tent surrounded by a convoy of RVs. The Best in Tent Camping: New Jersey guides you to the quietest, most beautiful, most secure, and best managed campgrounds in the Garden State. Whether you are a New Jersey native in search of new territory or a vacationer on the lookout for that dream campground, this book unlocks the secrets to the best tent camping that New Jersey has to offer.

From the Back CoverIf you subscribe to the opinion that televisions, Japanese lanterns, and electric guitars are not essential camping equipment, The Best in Tent Camping: New Jersey should be your constant companion.
