The author lives in East Tennessee and has spent untold hours in the woods of this state. His detailed account of each campsite is a wonderful resource for those wanting to go camping away from it all. He details many sites which I would not have known exist if I hadn't bought this book. The layout of is great, with a 1-5 star rating of each campsite's privacy, spaciousness, quiet, security, and beauty. Also included is a (semi) detailed map of the campsite itself. I like his candid writing: he is not afraid of PC, and so if he likes or dislikes a site, he will come right out and say it, even indicating which sites are his personal favorites in the book. I own one more of his books, and any time I camp in another state, this will be the first authority I check, because of his ability to steer you in the direction of nature and not just some commercial campsite. 1 of 1 people found the following review helpful. Excited for fall! By NWallace Great book, I know several of the spots and their reviews site are spot on, excited to check out some new spots! 0 of 0 people found the following review helpful. Four Stars By trekmom I haven't read the whole book but I like Johnny Molloy reviews and references

From river wetlands in the east to weathered mountains in the west, camping in Tennessee has never been better. The Best in Tent Camping: Tennessee is a guidebook for tent campers who like quiet, scenic, and serene campsites. It's the perfect resource if you blanch at the thought of pitching a tent on a concrete slab, trying to sleep through the blare of another camper's boombox, or waking to find your tent surrounded by a convoy of RVs.

"You'll find Molloy a trusted and reliable guide to the best campsites."--Kentucky Monthly (praise for BTC: TN KY)
"...the book for those of us who enjoy the middle range of the camping experience--roughing it, but with amenities."--The Tennessean (praise for BTC: TN KY)
"Thoroughly researched...this book presents a thorough description and an honest evaluation of various campgrounds."--Birmingham Post Herald (praise for BTC: TN KY)
