A great look at Old Testament stories and the locations where they took place from an expert on the subject. I have had the pleasure of traveling with Julie as our guide on a trip to the holy land and her written take on this subject brought back great memories of her humor and her knowledge of this very interesting subject. Recommend highly as a good - and inspiring read.

This book will open your eyes to some things I have typically looked over. I read it right before we went to Israel and it helped tremendously at all of these sites. It's broken in to many different stories so it's an easy read.

A great travel book, to read from cover to cover, and have handy as you travel through the special places in Israel, especially with Julie Baretz, which I did! What a gift!!! Julie is a wonderful tour leader, so very knowledgeable and informative, whether you are with a Jewish group, Gentile or mixed. Julie has a knack for sharing bits and pieces of biblical history with flare. I'd go again with Julie in a minute, and will most certainly read the book again.

In this innovative guidebook Julie Baretz takes readers to twenty-one off-the-beaten-path locations in Israel where Bible stories are said to have happened. At each site she sets the scene by relating the historical context of the event, then follows with the biblical text itself and her own lively commentary. Captivating and complex Bible characters bring the locations to life as they face social, ethical, and spiritual dilemmas not unlike our own today. Baretz's narratives draw on history, archaeology, academic scholarship, and rabbinic literature for interpretations that enhance the meaning of the biblical events. Each story is told in the voice of Baretz as the tour guide—knowledgeable yet informal and friendly.

"This is a wonderful resource for anyone who wishes to add a spiritual dimension to travel in Israel."
