Cheri Revai : The Big Book of New York Ghost Stories (Big Book of Ghost Stories) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Book of New York Ghost Stories (Big Book of Ghost Stories):

0 of 0 people found the following review helpful. Five StarsBy FoxyLadyExcellent book1 of 7 people found the following review helpful. It looks like an interesting bookBy Frank L. FredenburgI purchased this book for a birthday

present for someone else. It looked interesting and that is why I purchased it. She hasn't had a chance to read it yet, but she says it looks like a good read. She's interested in this topic, and she is a native of New York State. One thing I can say is it arrived quickly! I don't have any complaints.

The second volume in the Big Book of Ghost Stories series is a treasury of more than 100 stories from each region of the Empire State. Gathered by New York's celebrated Ghost Author, this assortment of spooky tales includes the terrified spirit of Seneca Hill, RIT's jovial library tower ghost, the legendary haunted skull of the Adirondacks, state Capitol phantoms in Albany, Shanley Hotel ghosts in the Hudson Valley, the spirit of the most beautiful girl in New York City, and many more.

"Whether you're an armchair ghost enthusiast or prefer to visit haunted locales, this book, excellently organized for both, is a perfect guide and companion." --Tamara Thorne, author of HauntedAbout the AuthorCheri Revai lives in northern New York and is the author of several of Stackpole's Haunted books.
